Juneteenth, also known as Freedom Day or Emancipation Day, marks the day in A 1865 when Union General Gordon Granger arrived in Galveston, Texas, and announced the end of the Civil War and the emancipation of all enslaved people.

This announcement came more than two years after President Abraham Lincoln's Emancipation Proclamation, which had officially outlawed slavery in the Confederate States. In 1980, Texas became the first state to make Juneteenth an official state holiday. As of 2021,

Juneteenth is a federal holiday in the United States, known as Juneteenth National Independence Day, following the signing of legislation by President Joe Biden. Juneteenth is a historical milestone and a reminder of the importance of freedom, justice, and the continuing efforts to achieve true equality for all.
