LIFE IS BETTER
TOGETHER
JOIN US FOR
BACK TO CHURCH
SUNDAY
SEPTEMBER 21, 2025
 920 14TH STREET * PLANO, TX 75074

💖 Church family, we are thrilled to announce that National Back to Church Sunday is coming up on September 21st! This year's theme is "Life is Better Together", and what a perfect reminder that none of us were meant to walk this journey alone. This special day is an opportunity for us to reconnect, invite, and welcome others into God's house — whether it's family, friends, neighbors, or even those we meet in passing.

To make inviting easy, we've prepared special 'Join Us at Church' cards just for you. Use them as a simple yet powerful way to extend the love of Christ and personally invite someone to join us for worship. Imagine the impact if each of us reached out and brought just one person — together, we could fill the sanctuary and hearts with joy. Let's be intentional, let's be prayerful, and let's make this Back to Church Sunday a day we will never forget.

Because truly, life is better together. 💖

September is filled with rich history, health awareness, and cultural celebrations that uplift and impact the Black community:

🇺🇸 September 22, 1862 – The Preliminary Emancipation Proclamation was issued by President Lincoln, a turning point in the fight for freedom.

🏆 September 12, 1948 – Jackie Robinson became the first Black player named National League MVP.

👊 September 1966 – The Black Panther Party was founded, sparking a movement for justice, community programs, and empowerment.

🎵 National Gospel Music Heritage Month – Honoring gospel music and its lasting influence on American culture.

💧 Sickle Cell Awareness Month – 1 in 13 Black babies are born with the sickle cell trait. Awareness and support are vital.

🧴 Prostate Cancer Awareness Month – Black men are more than twice as likely to die from prostate cancer; early screening saves lives.

👶 Childhood Obesity Awareness Month – A call to support healthy eating and active living for our children.

🧠 National Recovery Month – Advocating for mental health support and recovery in Black communities.
